DuraGrip Putty Knife with Hammer Head

Fully hardened high carbon steel blade, precision ground with mirror finish. Full tang construction, comfortable rubber handle.

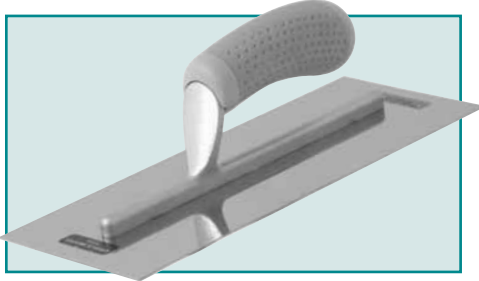

Carbon Steel Blade

- CB3084** 4" flex joint knife 12/ctn.
- CB3085** 5" flex joint knife 12/ctn.
- CB3086** 6" flex joint knife 12/ctn.

Soft Grip Plaster Trowel

Comfortable rubber handle.

Carbon Steel Blade

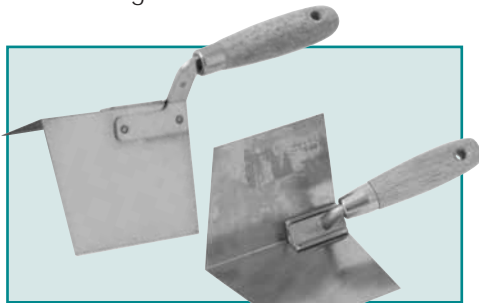

- CB16200** 4 1/2" x 11 1/2" 12/ctn.

Stainless Steel Blade

- CB16210** 4 1/2" x 11" 12/ctn.
- CB16211** 4 1/2" x 11 1/2" 12/ctn.
- CB16212** 4 1/2" x 12" 12/ctn.
- CB16214** 4 1/2" x 16" 12/ctn.

Drywall Corner Trowel

Flexible, tempered stainless steel blade for finishing inside and outside corners.

- CB16185** 2 1/2" x 4" 103° inside corner 10/ctn.
- CB16186** 2 1/2" x 4" 80° outside corner 10/ctn.

Nylon Handle with Hammer Head

Fully hardened high carbon steel blade, precision ground with mirror finish. Heat treated. Full tang construction. Lacquer coated. Brass rivet. Solid metal hammer end.

Carbon Steel Blade

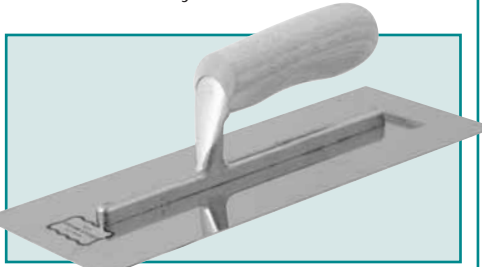

- CB3073** 3" flex putty knife 12/ctn.
- CB3074** 4" flex joint knife 12/ctn.
- CB3075** 5" flex joint knife 12/ctn.
- CB3076** 6" flex joint knife 12/ctn.

Stainless Steel Blade

- CB3094** 4" flex joint knife 12/ctn.
- CB3095** 5" flex joint knife 12/ctn.
- CB3096** 6" flex joint knife 12/ctn.

Plaster Trowel

Flexible, tempered and polished spring steel blade. Aluminum alloy shank and blade are mounted and fastened with 9 rivets. Smoothly turned wooden handle.

Stainless Steel Blade

- CB16190** 4 1/2" x 11" 12/ctn.
- CB16191** 4 1/2" x 11 1/2" 12/ctn.
- CB16192** 4 1/2" x 14" 12/ctn.

Carbon Steel Blade

- CB16260** 4 1/2" x 11" 12/ctn.
- CB16261** 4" x 12" 12/ctn.
- CB16262** 4" x 14" 12/ctn.
- CB16263** 4" x 16" 12/ctn.

True Fit Corner Trowel

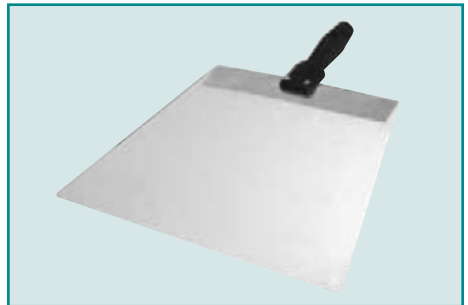

Creates clean sharp corners. 3 1/2" blade, 5" plastic handle, 90° to 135°.

CB010

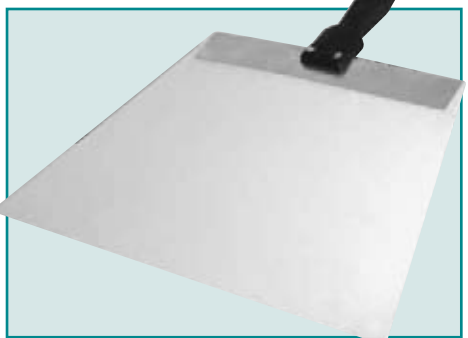

Paint Shield

Aluminum mounting holds a flexible 24" plastic blade.

- WT88009** 24" paint shield 6/ctn.

Knock-Down Knife

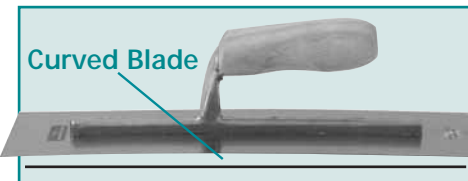

- CB14083** 18" x 12" Lexan
- CB14084** 24" x 12" Lexan

Plaster Hawk

- CB16270** 13" x 13" aluminum hawk 6/ctn.
- CB16272** 13 1/2" x 13 1/2" aluminum hawk 6/ctn.
- CB16271** 10" x 10" aluminum hawk 6/ctn.

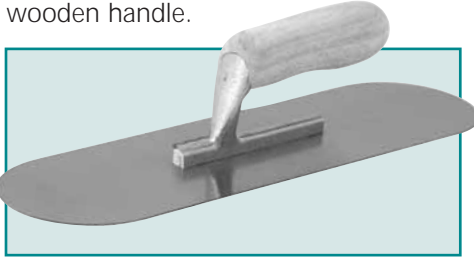

Curved Blade Drywall Trowel

- CB16265** 4 1/2" x 12" 12 / ctn.
- CB16266** 4 1/2" x 14" 12 / ctn.

Swimming Pool Trowel

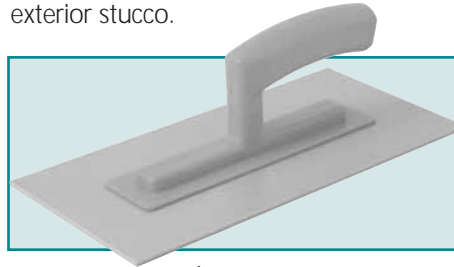

Stainless steel blade, tempered and shaped, with smooth wooden handle.

CB16180 4" x 14" 6/ctn.

Plastic Smoothing Trowel

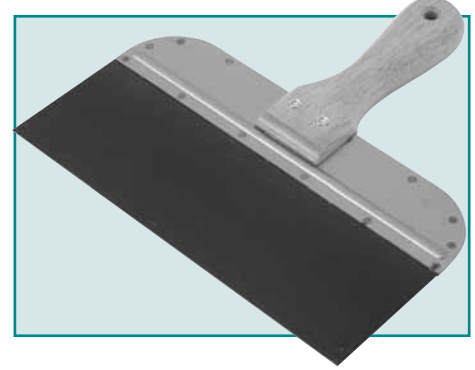

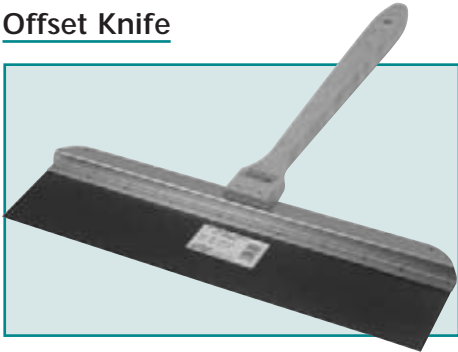

Durable all plastic construction with an easy grip handle. Ideal for smoothing exterior stucco.

CB16181 5 1/2" x 11" 10/ctn.

Taping Knife

Flexible, tempered steel blade with strong steel back.

**Offset Knife**

CB14081 18" offset knife w/ 16" handle 6/ctn.

CB14082 24" offset knife w/ 16" handle 6/ctn.

Broad Knife

Blue spring steel blade with shims attached to a 14" tube handle.

CB14040 7" broad knife 6 /ctn.

CB14041 9" broad knife 6 /ctn.

CB14042 7" replacement blade with 2 shims

CB14043 9" replacement blade with 2 shims

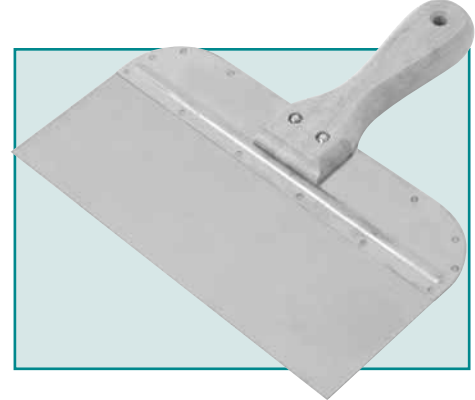

Blue Steel Blade – wood handle

CB14051 8" tapping knife 6/ctn.

CB14052 10" tapping knife 6/ctn.

CB14053 12" tapping knife 6/ctn.

CB14054 14" tapping knife 6/ctn.

**Rubber Float**

Smooth moulded plastic handle with durable rubber base.

WT88007
4" x 9 1/2" rubber float 6/ctn.

Corner Pro Wipe Down Knife

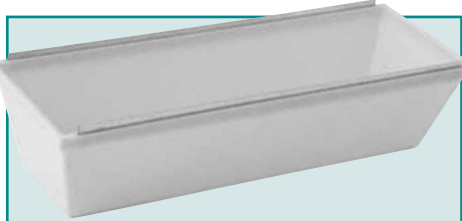

Flexible rubber knife for finishing inside angles.

CB3077 12/ctn.

Mud Pans

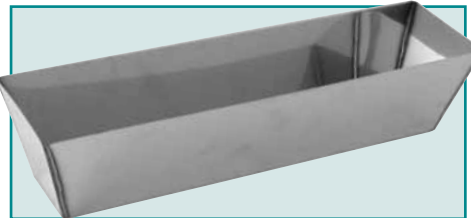

Professional quality, double metal blade plastic pan.

CB15005 12" plastic mud pan 12/ctn.

Heli-arc Mud Pan

Heavy Gauge, stainless steel with heli-arc welded corners and water tight construction.

CB15007 12" heli-arc mud pan 12/ctn.

CB15008 14" heli-arc mud pan 12/ctn.

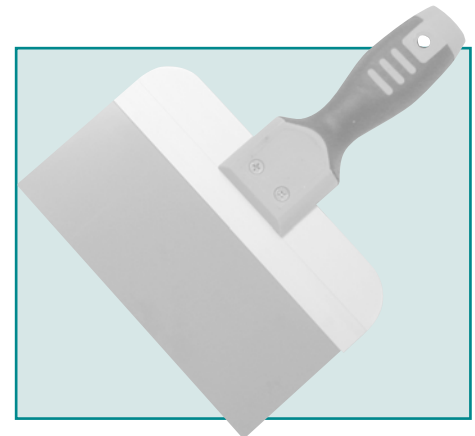

Stainless Steel Blade – wood handle

CB14061 8" tapping knife 6/ctn.

CB14062 10" tapping knife 6/ctn.

CB14063 12" tapping knife 6/ctn.

CB14064 14" tapping knife 6/ctn.

**Stainless Steel Blade – Rubber Grip**

CB14071 8" tapping knife 6/ctn.

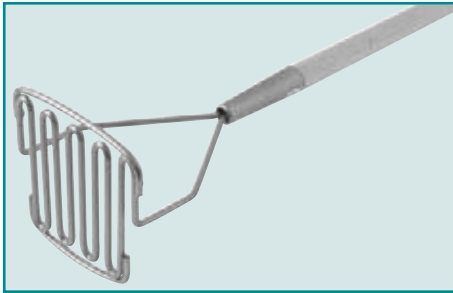

CB14072 10" tapping knife 6/ctn.

CB14073 12" tapping knife 6/ctn.

CB14074 14" tapping knife 6/ctn.

Hand Mixers

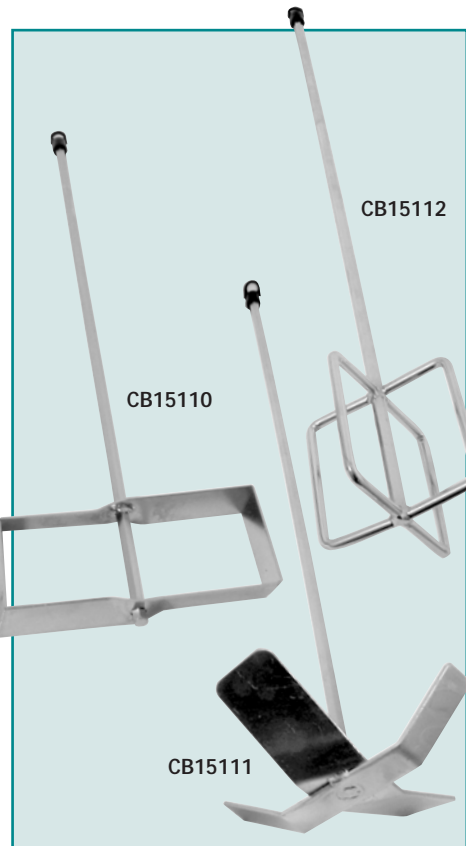

All steel construction bonded to a wooden handle.

- WT42001** 25" square head mixer
- WT42002** 37" semi round head
- WT42004** 37" square head mixer

Circle Brand Mixing Paddles

Aluminum mixers for drywall compound, ceiling, wall texture and paint.

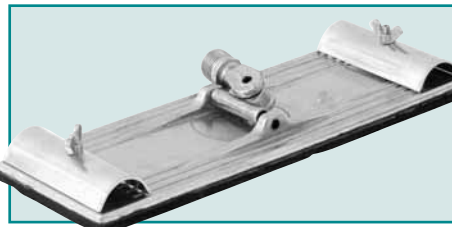

- CB15110 quick mixer**
29" shaft, 4" x 8" blade
- CB15111 flat blade mixer**
30" shaft, one blade
1 3/4" wide x 8" long, second
blade 1" wide x 8" long
- CB15112 square blade mixer**
28" shaft, 5" x 5" blade

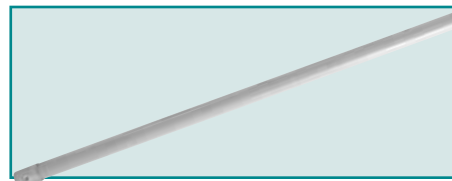

Drywall Sanders

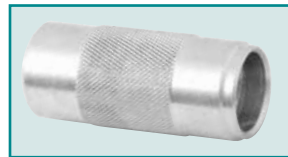

- CB15013** hand sander – plastic with metal clamp 10/ctn.
- CB15021** pole sander – plastic 9" x 3 1/4" (not shown) 10/ctn.

- CB15025** pole sander – metal with male end 10 /ctn.

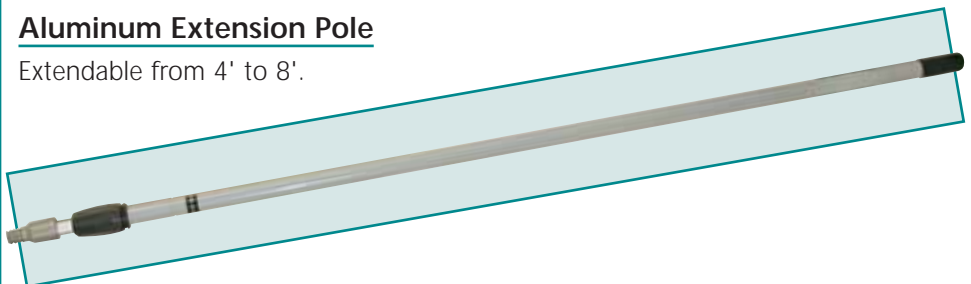

- CB15026** wooden sander pole with female metal end

- CB15027** metal adapter for pole sander

Aluminum Extension Pole

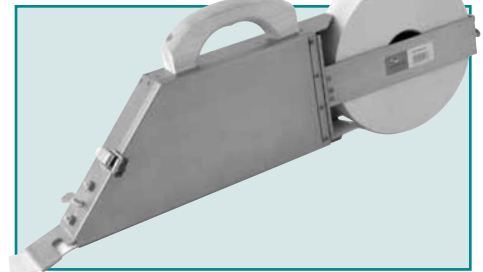

Extendable from 4' to 8'.

- CB15059** Aluminum extension pole

Universal Banjo

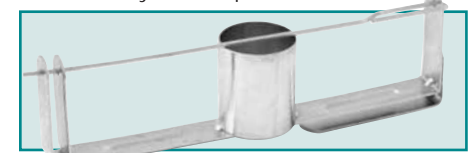

Stainless steel construction with thumb screw for mud adjustment. Complete with 2 wooden handles. Holds 500' roll of drywall tape.

- ST0010** universal stainless steel banjo, for either left or right hand use.

Tape Reel

All steel construction. Holds 500' of tape with handy belt clip.

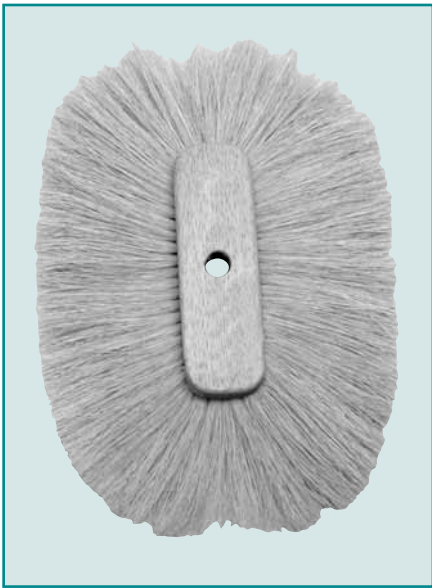

- CB15010** drywall tape reel 12 /Box

Inside Corner Roller

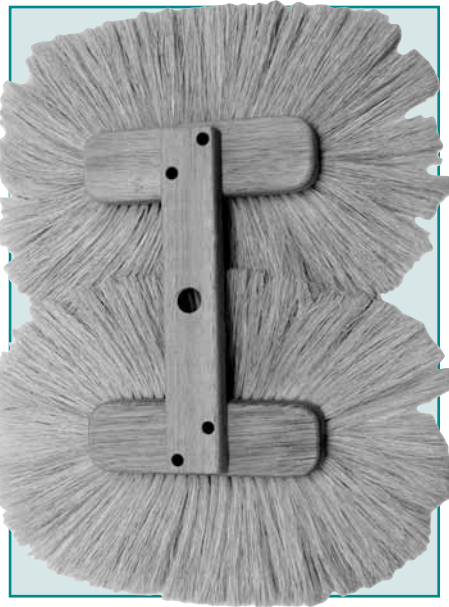

- ST0230** – Applies drywall compound to inside corners, embedding drywall tape

Single Texture Brush

WT62012 Single texture brush,
White Tampico, 8" x 1³/₄"

5³/₈" diameter
Horse hair

Floor Scraper

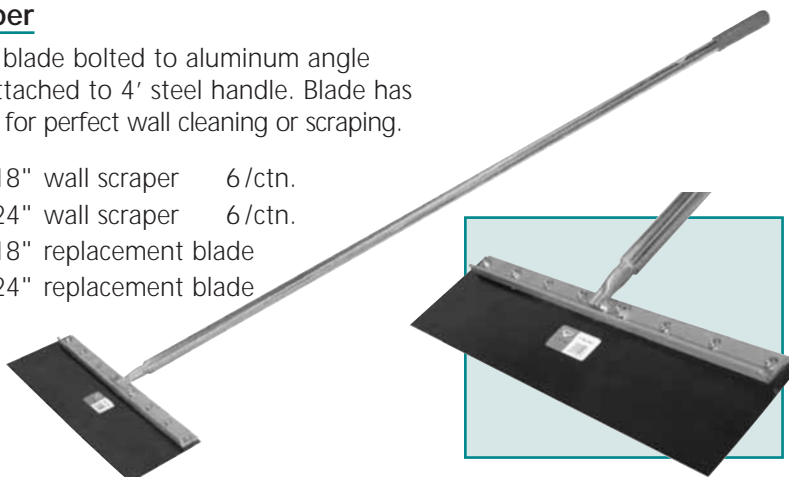

This scraper has a 5' steel handle welded to a heavy steel mounting bracket with plastic grip on end.

- | | | |
|---------------|---|---------|
| CB4008 | 7" x 4 ¹ / ₂ " floor scraper | 6 /ctn. |
| CB4010 | 14" x 4 ¹ / ₂ " floor scraper | 6 /ctn. |
| CB4012 | 20" x 4 ¹ / ₂ " floor scraper | 6 /ctn. |
| CB4009 | 7" replacement blade | |
| CB4011 | 14" replacement blade | |
| CB4013 | 20" replacement blade | |

Wall Scraper

Spring steel blade bolted to aluminum angle mounting attached to 4' steel handle. Blade has right temper for perfect wall cleaning or scraping.

- | | | |
|---------------|-----------------------|---------|
| CB4014 | 18" wall scraper | 6 /ctn. |
| CB4016 | 24" wall scraper | 6 /ctn. |
| CB4015 | 18" replacement blade | |
| CB4017 | 24" replacement blade | |

Access Panel

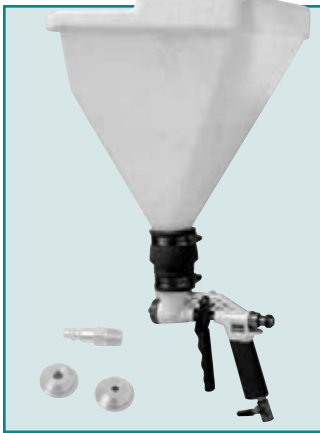

- Eliminates costly wall and ceiling repairs.
- Panel has perfect fit of lid and frame for maximum assurance against water and weather.
- Cosmetically desirable when panel must be located in sight.
- Made of long lasting A.B.S. with U.V. stabilizers and can be painted if desired.
- Can be installed on surface or flush mounted.

- | | | |
|---------------|-----------------|--------|
| AP69 | 6" x 9" panel | 6 /ctn |
| AP88 | 8" x 8" panel | 6 /ctn |
| AP1414 | 14" x 14" panel | 6 /ctn |
| AP1429 | 14" x 29" panel | 6 /ctn |

Spray Pro Gun and Hopper

- Flexible connector makes spraying difficult angles easy.
- Designed with faster recoil for greater spray control.
- Soft grip handle and trigger.

- WT56020** Spray Pro gun and hopper
- WT50004** Spray Pro hopper with clamp
- WT56023** Spray Pro gun

Wal-Pro Gun and Hopper

- One-piece body with brass components.
- Air shut-off valve and quick disconnect.
- Large capacity hopper with built-in angle.

- WT52005** Wal-Pro gun and hopper
- WT50007** Wal-Pro hopper with clamp
- WT52011** Wal-Pro gun

Spraying Mantis

Comes with hopper, gun and stand.

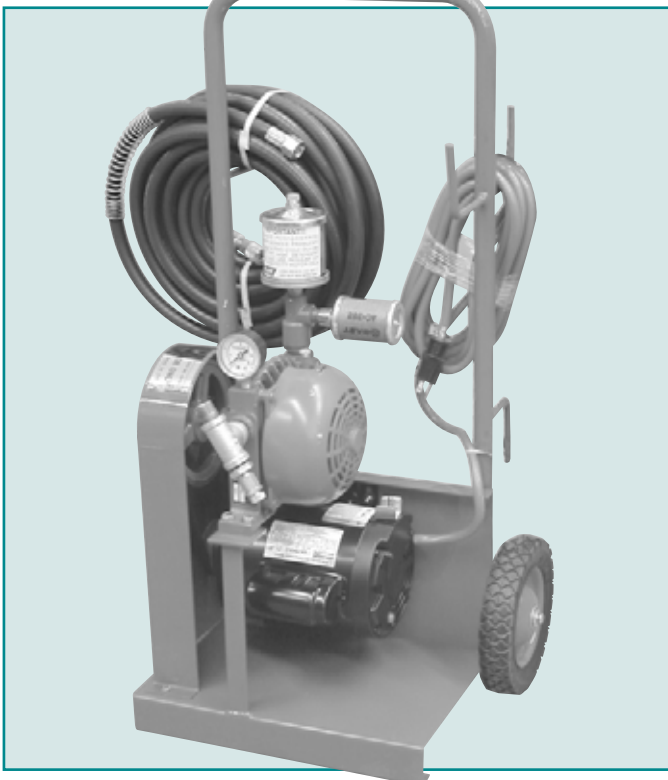

- WT55050** Spraying mantis with hopper, gun and stand
- WT55090** Spraying Mantis hopper
- WT55093** Spraying Mantis gun

Texture Spray Machine

Rotary vane compressor produces 6 CFM at 25 PSI 1 H.P. capacitor electric start motor with 25' electrical cord, and 50' of air hose. All steel construction cart with rubber wheels. Repair parts available.

- WT83005** Porta - compressor with Wal-Pro gun and hopper.
- WT83009** Porta - compressor with Spray Pro gun and hopper.

- WT50031** Hose 50'
- WT83022** Air filter for compressor
- WT83015** Pressure release valve

Glitter Gun

Manual applicator used to apply glitter.

Glitter – used for decorating walls and ceilings. Apply to fresh texture spray or wet paint. Uniform size will produce a consistent pattern or reflection.

- WT53019** Glitter gun – plastic
- WT53001** Silver glitter 1/16" square 1lb.
- WT53004** Diamond glitter 1/16" square 1lb.
- WT53007** Gold glitter 1/16" square 1lb.
- WT53017** Iris glitter 1/16" square 1lb.

Stucco Patch Gun

Used for patching small areas with stucco or plaster to match existing coating.

- WT54050** Stucco patch gun

North Dust Masks

7130 Dust/Mist Respirator
Ideal for sanding drywall and installing fiberglass insulation. NIOSH approved for respiratory protection against certain toxic dusts and mists.

7140 Dust/Mist Respirator
Same as 7130 but has exhalation valve for worker comfort in hot humid conditions.

S7130 dust / mist respirator
20 / box 12 box / ctn.

S7140 dust / mist respirator
10 / box 10 box / ctn.

Homax Texture Gun

Create your own custom look or match existing spray texture on walls or ceilings.

HO4505 Hopper 3L 6/ctn.
HO4205 DIY spray gun (gun only) 1/ctn.
HO4405 Pro spray gun (gun only) 1/ctn.

Dasheng Dust Masks

S2000 dust / mist respirator
20 / box,
20 box / ctn.*
**similar to Gerson
N95 masks*

S2010 Nuisance dust mask
50 / box,
20 box / ctn.

Pneumatic II Spray Texture Gun

Works with 3/4 hp or larger compressors, also HVLP compatible. Sprays 16 texture patterns including Super Fine Orange Peel.

HO4610 Pneumatic II Spray Texture Gun

Touch Up

Repair damaged textures on walls and ceilings with wall spray and acoustical touch up kits.

HO4105 Wall spray touch-up kit with pump

HO4105A Texture spray touch-up refill

HO4120 Acoustical touch-up kit with pump

HO4122 Refill twin pack for HO4120

Homax Spray Textures

To texture small areas (up to 100 sq. ft.) or to patch existing walls or ceilings that have already been sprayed.

HO4155 Wall texture 20 oz.*
HO4165 Knockdown texture 20 oz.*
HO4181 Acoustic ceiling texture 16 oz.*
*12/ctn.

Drywall Foot Lifters

Enables one man to lift board up to 3" on wall. Heavy duty construction.

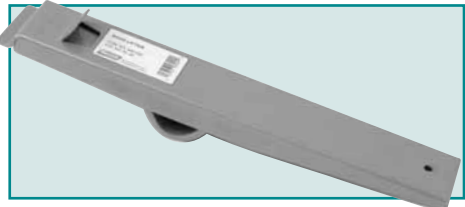

CB4001 mini-lifter 6/ctn.

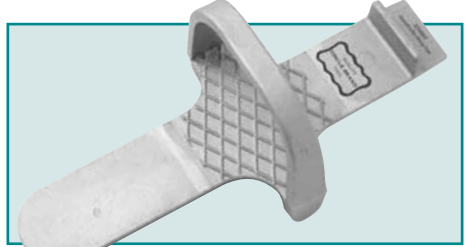

CB4002 economy mini lifter 6/ctn.

CB4003 roll lifter 2/ctn.

CB4004 fixed fulcrum lifter 2/ctn.

CB4005 stirrup lifter 2/ctn.

Rubber Tipped Line Clamps

The preferred clamp for installing T-Bar ceilings.

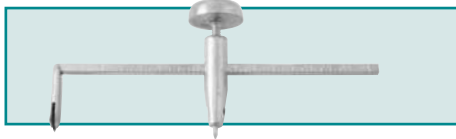

CB15032 4" line clamp 100/ctn.

Jet Line

CB15033
Jet Line 450'

**Drywall Circle Cutter**

Cuts up to 16" diameter. Hardened steel cutting blade for longer life.

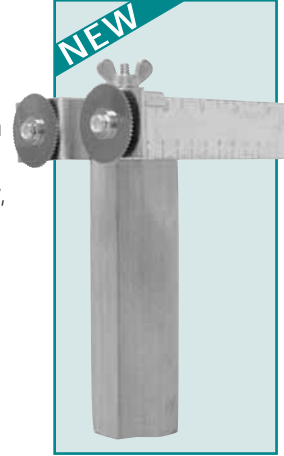

CB15250 circle cutter 12/ctn.

Drywall Stripper

Perforated wheels cut both sides of drywall. Ideal for narrow, hard to make cuts. Wood handle features an adjustable thumb screw to cut 4½" or less.

NEW

CB15028 Drywall Stripper
CB15028A Replacement Wheels (2)

Drywall Saws

Heavy duty 6" utility saw with steel blade and chisel point to penetrate drywall. Special tooth design for long life. Bonded wooden handle.

WT04001 6" utility saw 6/ctn.

Shark Drywall Saw

CB38048 6" shark saw w/ rubber grip 12/ctn.

Rockeater Drywall Saw

High quality carbon steel, tempered for long lasting sharpness. Chisel point blade with ergonomic elastomer handle.

ST0227 6" drywall saw 12/ctn.

Drywall Saw

Solid, high impact plastic handle. Tough, stiff blade with coarse teeth.

CB38040 15" drywall saw 6/ctn.

Utility Knives

Wallboard fixed blade utility knife with knurled handle.

WT15001 wallboard knife 12/ctn.

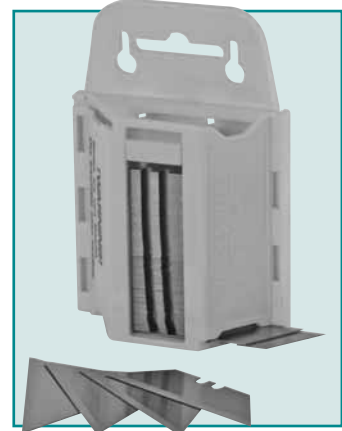

Shark utility knife – fixed blade. Comes with 3 blades.

CB38045 shark knife 6/ctn.

Utility Knife Blades

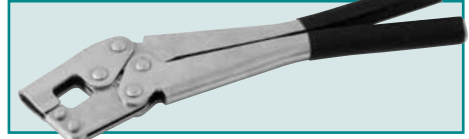

Replacement blades for utility knives.

CB38043 Double notch type blades in a plastic case. 100/case

Mini Stud Crimper

Ideal tool for joining metal studs to metal track.

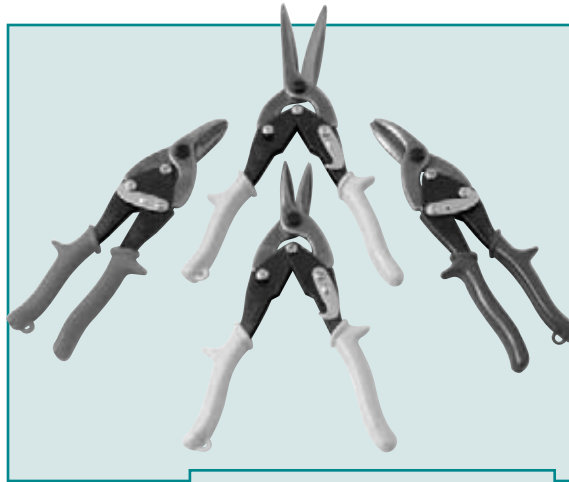

ST0001 mini stud crimper 1/ctn.

AVIATIONSNIPS

Midwest Aviation Snips

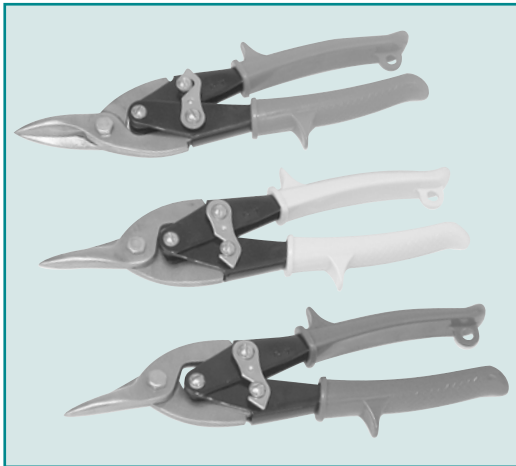

Cuts soft sheet metal up to 18 gauge. The compound lever action makes cutting easy.

- ST6716L left cut 6/ctn.
- ST6716S straight cut 6/ctn.
- ST6716R right cut 6/ctn.
- ST6716A long cut 6/ctn.

Midwest "Bulldog" Aviation Snips

ST6716B Cuts Heavy Gauge Framing Steel

Circle Brand Aviation Snips

Cuts metal stud and track up to 18 gauge.

- CB4100 straight cut 6/ctn.
- CB4101 left cut 6/ctn.
- CB4102 right cut 6/ctn.

Circle Brand 25' Measuring Tapes

Experience the stability of our rigid 1" wide tape widths when measuring long distances and/or heights. Double locking mechanism (hold and release or lockup).

- CB38075 Imperial 6/ctn.
- CB38076 Imperial & Metric 6/ctn.

Chalk Line Reel

CB15031 100' heavy duty metal reel. 6/ctn.

8 oz. Chalk Line Refill

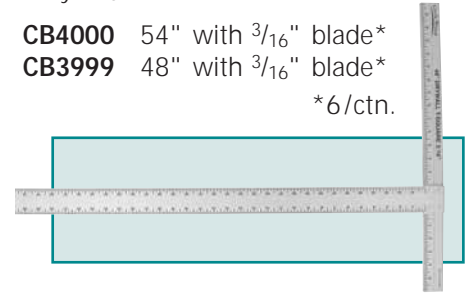

- ST0200 Red
- ST0201 Blue

T-Squares

Anodized aluminum finish. Heavy duty 3/16" blade.

- CB4000 54" with 3/16" blade*
 - CB3999 48" with 3/16" blade*
- *6/ctn.

Nylon Mason's Line

Braided nylon mason's line. Gold only.

- ST0210 500' Gold 6/ctn.

Wallboard Rasp

- ST0221 drywall rasp 5 1/2"
- ST0222 replacement blade

Cornerbead Clincher Tool

For fastening metal cornerbead without using nails or screws.

- ST0002 1/4" clincher 1/ctn.
- ST0003 1/8" clincher 1/ctn.
- ST0004 clincher repair kit 1/bag
- ST0005 replacement striker head 1/ctn.

Rubber Mallet

- CB17523 16 oz. rubber mallet
- CB17524 24 oz. rubber mallet
- CB17525 32 oz. rubber mallet

Fiberglass Handles

- Innovative designing makes Premier International handles both durable and lightweight.

- PI-HR** Corner Roller Fiberglass Handle
- PI-HF** Corner Finisher Fiberglass Handle
- PI-HA** Corner Applicator Fiberglass Handle
- PI-HN** Nail Spotter Fiberglass Handle

EasyClean™ Box

- A Premier International innovation.
- Spring-assisted pressure plate reduces effort required to apply joint compound.
- Large joint compound capacity and easy clean feature.
- Comes in 7", 10" and 12" boxes.

- PI-22** 7" EasyClean™ box
- PI-27** 10" EasyClean™ box
- PI-32** 12" EasyClean™ box

EasyClean® Pump

- Anodized for added durability.
- Attachments allow filling of all Premier International tools.
- Coarse and fine filtering screens available.
- EasyClean™ feature.

- PI-72** EasyClean™ Pump

- PI-85** Gooseneck – stainless steel

- PI-90** Filler nozzle – stainless steel

Flat Boxes

- User adjustable blade holder fine tunes the crown for proper compound distribution.
- Comes in 7", 10" and 12" boxes.

- PI-20** 7" flat box
- PI-25** 10" flat box
- PI-30** 12" flat box

Power Assist™ Box

- A Premier International innovation.
- Spring-assisted pressure plate reduces effort required to apply joint compound.
- Large joint compound capacity and easy clean feature.
- Comes in 7", 10" and 12" boxes.

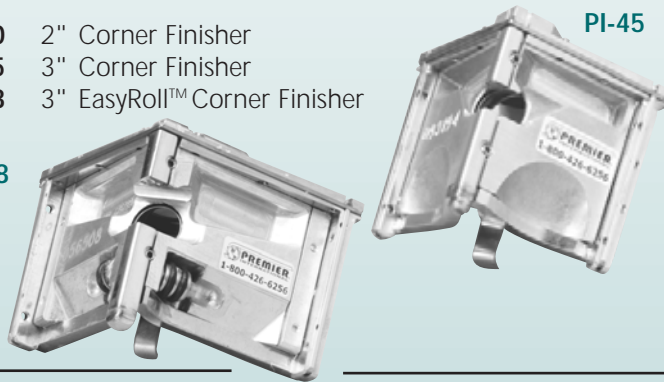

- PI-24** 7" Power Assist™ box
- PI-28** 10" Power Assist™ box
- PI-33** 12" Power Assist™ box

Corner Finisher

- Spring-loaded action compensates for imperfect angles.
- Premier International provides 3 versions of this convenient tool.
- 3" EasyRoll™ Adjustable, 2" and 3" standard.
- Fits PI-HA and PI-HF handles.

- PI-40** 2" Corner Finisher
- PI-45** 3" Corner Finisher
- PI-48** 3" EasyRoll™ Corner Finisher

PI-48

Automatic Taper

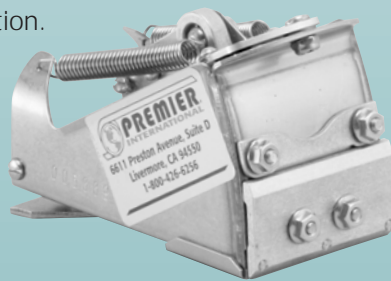

- Built with stainless steel and aluminum components for light weight and durability.
- Reaches 3m height.
- Smoothest operating automatic taper available.
- Designed to be easily cleaned and maintained.

PI-04 Automatic Taper

EasyClean™ Nail Spotter with Handle

- Fills an entire row of dimples in one pass.
- Two tool sizes to work on any job – 2" and 3".
- Rugged stainless steel construction.
- Uses skid instead of wheels to extend blade life.
- Fits handle PI-HN.

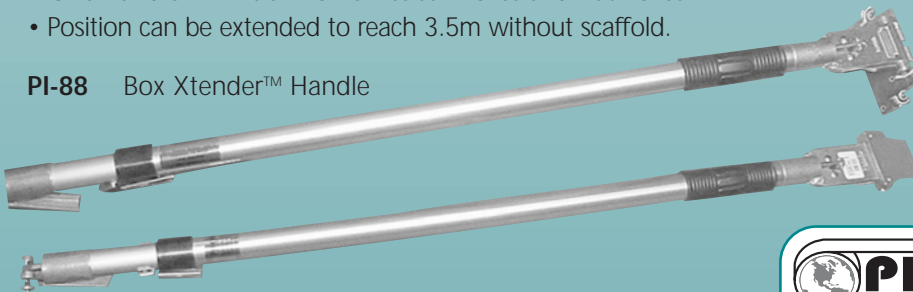

- PI63** 2" EasyClean™ Nail Spotter
- PI68** 3" EasyClean™ Nail Spotter

Box Xtender™ Handle

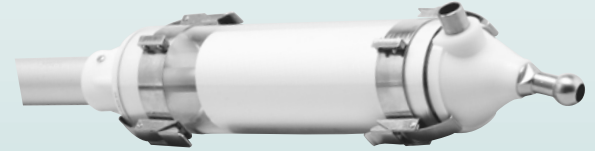

- Integrated brake provides precise control of box.
- Xtender™ Handle gives multiple lengths in one telescopic unit.
- One handle will fit all PowerAssist™ Boxes and Flat Boxes.
- Position can be extended to reach 3.5m without scaffold.

PI-88 Box Xtender™ Handle

MudRunner™

- Ball joint allows flexible positioning.
- Twist-grip flow control.
- Attaches directly to Corner Finisher and Mud Heads.
- State-of-the-art applicator.
- Delivers compound to corner tools with low effort.

PI-14 MudRunner™

Corner Roller with Handle

- Lightweight and durable tool used to bed the tape.
- Forms a sharp corner at the same time.
- Reaches 3m height.
- Embeds paper or paper face beads on internal 90° angle.
- Fits handle PI-HR.

PI-15 corner roller with handle

Mud Head

- Applies a wide ribbon of joint compound to external corners.
- A quick and easy way to prep a corner for a paper faced corner bead.
- Attaches to the MudRunner and Corner Applicator.

PI-16 Mud Head

Corner Applicator

- Used with angle head to apply compound to 90° corner joints.
- Lightweight and strong, comes with fixed handle.

- PI-50** 7" corner applicator
- PI-35** 8" corner applicator

Shingling Hammers

Square Serrated driving head, blade is notched for nail removal and has an adjustable depth indicator.

- CB17534** 14 oz. Solid Hickory Handled Shingling Hammer 6/ctn.

Drywall Hammers

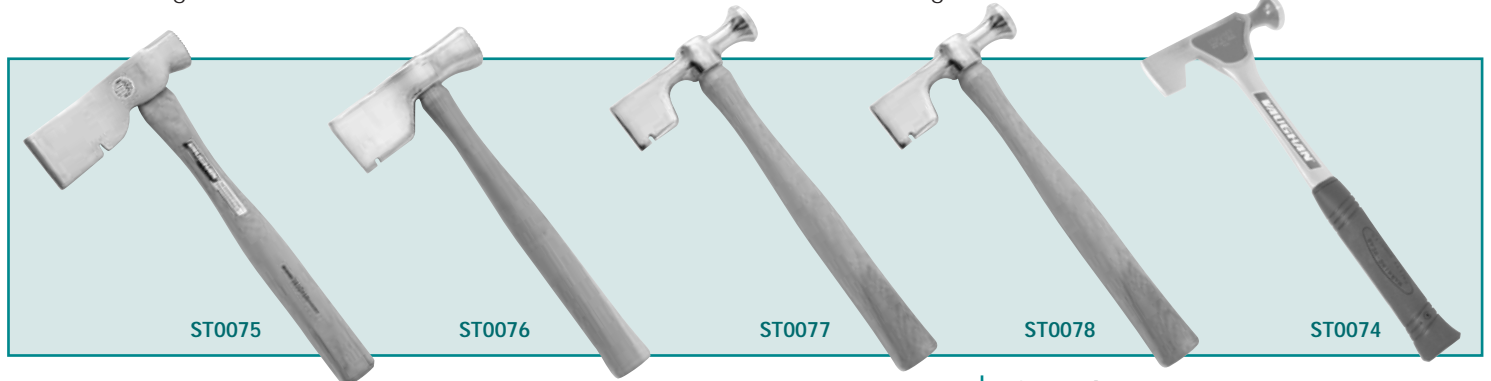

Serrated driving head, and blade is notched for nail removal. Available with Rubber Grip or Solid Hickory Handles.

- CB17531** 14 oz. 13" Rubber Grip Drywall Hammer. Flat top for nailing in corners 6/ctn.
- CB17532** 14 oz. Hickory Handled Drywall Hammer 6/ctn.
- CB17533** 14 oz. Rubber Grip Drywall Hammer 6/ctn.

Vaughan Drywall Hatchets

Milled crowned face, thin blade 2 1/4" cut, beveled nail slot. Fully polished head with hickory handle. Vaughan WB patented flat head for nailing close to corners. Milled crowned face, thin blade. Sure-lock wedged.

- ST0075** BX2 hatchet 2/ctn.
- ST0076** UDH hatchet 2/ctn.
- ST0077** WB hatchet 15 1/4" handle 2/ctn.
- ST0078** WBS hatchet 13 1/4" handle 2/ctn.
- ST0074** RWB Steel Hatchet 2/ctn.

Handles

- ST0080** 641-21 replacement 15 1/2" long handle with wedge
- ST0081** 641-31 replacement 13 1/2" short handle with wedge

Wal-Board Drywall Hammer

Forged, heat treated, steel head with convex, serrated face designed to set nail in a perfect dimple. Wooden handle.

- WT02001** WH-12 12 oz. head / 14" handle 6/ctn.
- WT02002** WH-12X 12 oz. head / 16" handle 6/ctn.
- WT02003** WH-17 16 oz. head / 14" handle 6/ctn.
- WT02008** WH-21 21 oz. head / 14" handle 6/ctn.

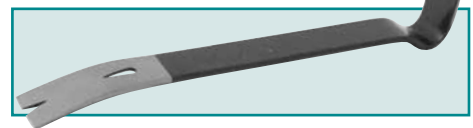

Hammer Handles

- WT02005** 14" replacement handle with wedge
- WT02006** 16" replacement handle with wedge

Superbar

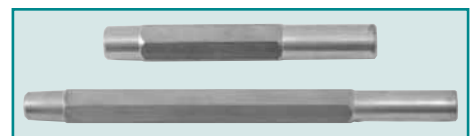

Three beveled nail slots, polished sharp blades for easy insertion.

- ST0079** 13" bar 6/ctn.

Magnetic Nail Punch

Steel punch with magnetic end made for driving nails in hard to reach places.

- ST0006** 5 1/2" punch 6/ctn.
- ST0007** 8" punch 6/ctn.

Drywall Tool Pouch

Top grain leather with rust resistant hammer, tape and snip holder.

CBL002 drywall tool pouch – left hand
CBL003 drywall tool pouch – right hand

Utility Drill Holster with Slot

Made from 8.5 oz. top grain leather. Will hold most screw guns or drills.

CBL004 drill holster w/ slot – left hand
CBL005 drill holster w/ slot – right hand

Back Support Work Belt

3 1/2" back support reduces lower back strain and lined with suede for comfort.

CBL007 large
CBL008 medium
CBL009 small

Leather Work Belt 2"x 48"

General purpose work belt for nail bags and tool pouches. Crafted from 8 oz. vegetable leather.

CBL010 48" leather belt, 2" wide

Nylon Suspenders

Designed for use with tool pouches, nail bags and construction aprons.

CBL011 nylon suspenders – black

Knee Pad Set

Designed to provide comfort and protection for your knees during flooring or tiling installation projects.

CBL013 top grain leather
CBL014 split leather

Drywall Nail Bag

Drywall nail bag with adjustable nylon belt. Three separate pockets for carrying various fasteners.

CBL020 drywall nail bag

Nail / Tool Bag

Multi-use drywall nail and tool pouches with convenient metal or leather side loop for hammer or hatchet.

CBL021 nail/tool bag
10 pocket leather loop
CBL022 nail/tool bag
10 pocket metal loop

Drywall Nail Pouch

Made from 5 oz. top grain leather and are fully bonded for longer wear. Pockets are riveted for additional strength.

3 Pocket 5 Pocket 4 Pocket
CBL023 3 pocket nail pouch
CBL024 4 pocket nail pouch
CBL025 5 pocket nail pouch

Carpenters Tool Pouch & Apron

The all in one portable work pouch provides you with a variety of holders and pockets for different hand tools, fasteners, etc., to make your job easier.

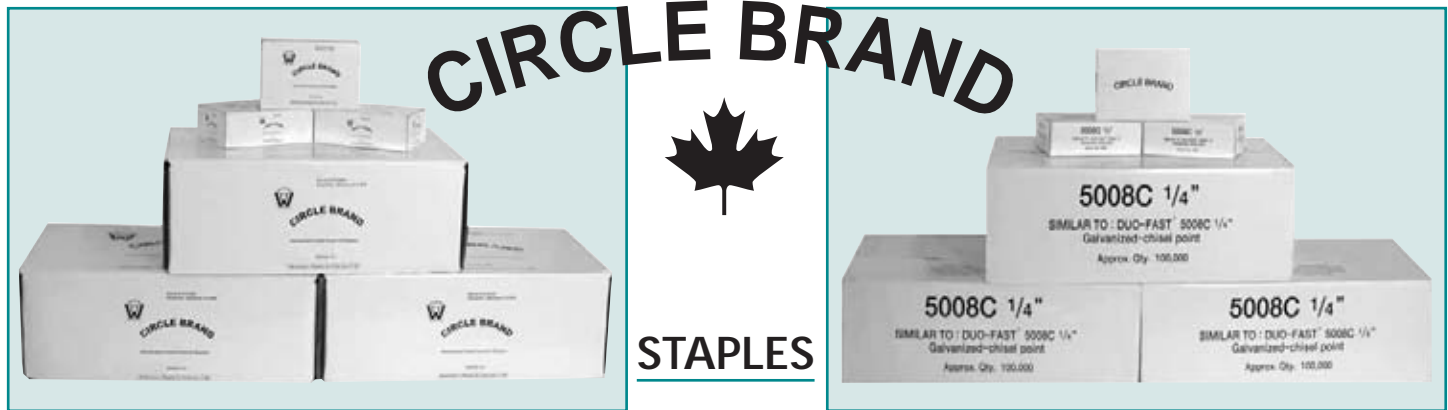

CBL026 carpenters tool pouch and apron

Leather Hammer Holder

This holder conveniently attaches to your regular belt or to a work pouch.

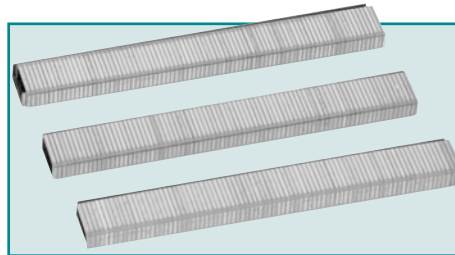

CBL027 leather hammer holder

ST0554 R34 lever tacker takes up to 9/16" staples.

ST0550 Duo-Fast Hammer Tacker HT550

Prest-on®

DRYWALL FASTENERS

Sergeant Prest-on® introduces...

Corner-Back Clips

Prest-on Corner-back fasteners eliminate wood or steel stud backup at corners and ceilings. The result is faster framing and faster, easier drywall installation. Also great for Truss Uplift.

Insta-Back® Clips

Insta-back® makes removal and reattachment of any size piece of gypsum board quick and easy. Fasteners attach to existing board to provide a solid back-up surface for reattaching the replacement piece.

Framer Back Clips

Framer back drywall fastener eliminates the need for wood blocking at interior drywall corners and ceilings.

DL100-DRYWALL PANEL LIFTER

Drywall Panel Lifter

- Holds 4' x 12' sheets of drywall.
- Large 4" casters with side locks.
- 200 lb. capacity.

DL100 (SHOWN)

- 5' to 10' lifting height.
- Designed with quick locks for the legs.
- Heavy duty lifting cable.
- Base is designed for easy set up.

ST0750 DL100 panel lifter

DL125 (NOT SHOWN)

- 5' to 12¹/₂' lifting height.
- Heavy duty lifting cables.
- 30" outriggers – collapse to 8" radius for storage.
- Casters stay in contact with ground, even when collapsed, so lift is easy to maneuver at all times.
- 60" tall (without head)
38" loading height.
- Automatic brake.

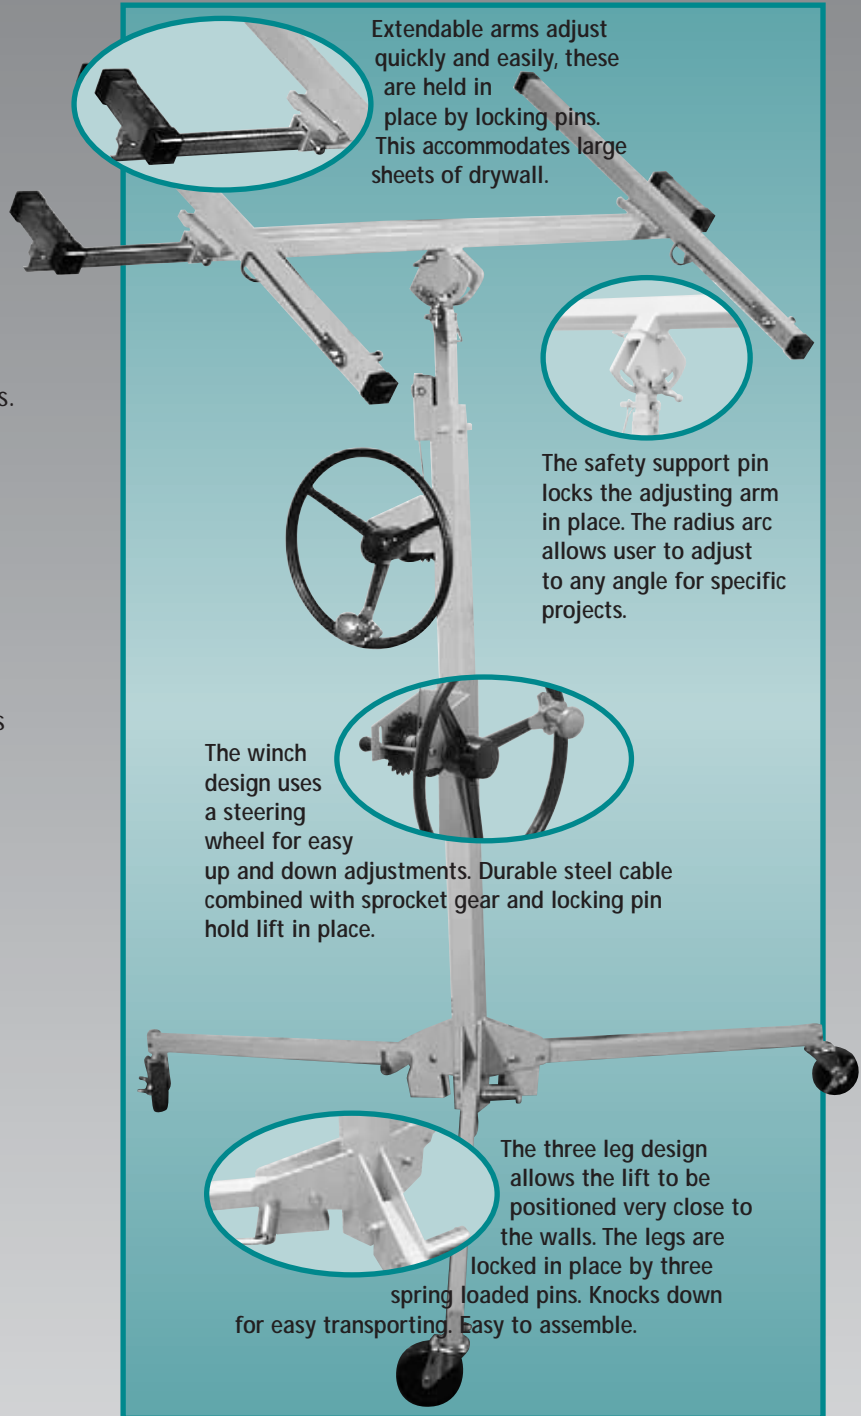

ST0751 DL125 panel lifter

ST0752 Closet extension support arms for DL125

DL150 (NOT SHOWN)

- 6¹/₂' to 15' lifting height.
- 68" tall (without head).
- 47¹/₂" loading height.
- Heavy duty dual lifting cables for additional cable life
- 30" outriggers – collapse to 8" radius for storage.
- Automatic brake.
- Casters stay in contact with ground, even when outriggers are collapsed, so lift is easy to maneuver at all times.

ST0753 DL150 panel lifter

Extendable arms adjust quickly and easily, these are held in place by locking pins. This accommodates large sheets of drywall.

The safety support pin locks the adjusting arm in place. The radius arc allows user to adjust to any angle for specific projects.

The winch design uses a steering wheel for easy up and down adjustments. Durable steel cable combined with sprocket gear and locking pin hold lift in place.

The three leg design allows the lift to be positioned very close to the walls. The legs are locked in place by three spring loaded pins. Knocks down for easy transporting. Easy to assemble.

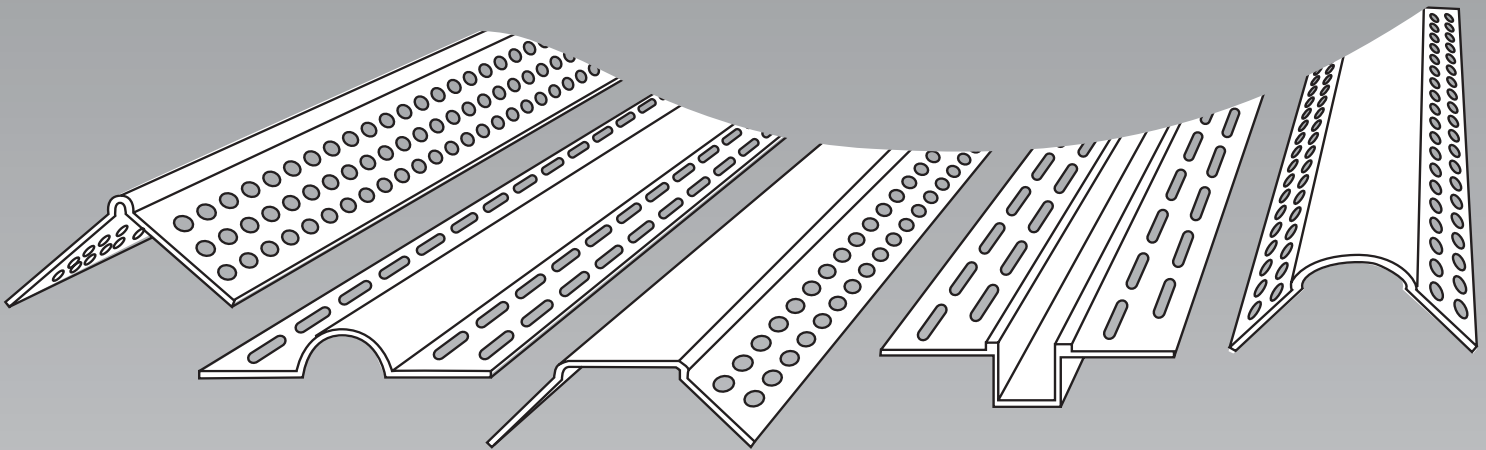

Drywall lift head features:

- Rigid design for secure placement of drywall board.
- Quick adjusting arms accommodate 8' to 12' drywall board.
- Tilting 360° rotating head to service cathedral ceilings and give greater flexibility.
